Students of all ages benefit from outdoor lessons in our wildflower meadow.

Welcome from the Head

At Pipers, there is no such thing as a typical 'Pipers' girl. All members of staff support the students to fulfil their academic and personal potential, enabling them to emerge as mature, confident and independent young adults. Investment in talented and inspirational teaching staff and professional support staff is at the heart of our success, and our recent academic results and overall performance bear testament to this.

Every member of the Pipers community, both academic and support staff, play a vital role in maintaining the excellent standard of education we provide. Underpinning everything that we do is a team of enthusiastic and determined staff, with a willingness to think outside of the box.

Personal development is always encouraged and supported, and well-being is at the forefront for staff as much as students.

I am incredibly proud of the Pipers community and it is a privilege to work alongside such talented staff and positive students.
